INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (this "Assignment") is made and entered into as of September 20, 2001 by and between Schwinn Cycling & Fitness, Inc., a Delaware corporation, ("Assignor") and Nautilus, Inc., a Washington Corporation, ("Assignee").

WHEREAS, Assignor has adopted, used and is using the marks listed on Schedule A hereto, which may be registered in the U.S. Patent and Trademark Office and/or foreign trademark offices or may be the subject of pending applications as is detailed in Schedule A, and owns all right, title and interest to the same, including all goodwill and common law rights associated therewith (collectively, the "Marks"); and

WHEREAS, Assignor is the owner, by assignment, of all right, title and interest in and to the designs, inventions and patents listed in Schedule B annexed hereto, and any patents which may be later obtained therefor or thereon (collectively, the "Patents") and other assets set forth in Schedule C, including domain names (which, together with the Marks, Patents and all other Fitness Intellectual Property (as defined in the Asset Purchase Agreement between Assignor and Direct Focus, Inc.) not assigned to Pacific Direct, LLC shall be collectively referred to hereinafter as the "Intellectual Property"); and

WHEREAS, Assignee is desirous of acquiring all right, title and interest in and to the Intellectual Property, including the goodwill associated therewith and any registrations or pending applications therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which Assignor acknowledges:

1. Assignor hereby assigns, transfers, and delivers to Assignee all of its rights, title and interest in and to the Intellectual Property, including any registrations or pending applications therefor, the goodwill of the business symbolized thereby, any re-issue, continuation, continuation-in-part, division, improvement or extension thereof, and all proceeds thereof, including, without limitation, any and all causes of action for infringement thereof and any and all royalties for any licenses thereof (collectively, the "Assets"), the Assets to be held and enjoyed by Assignee, for its own use, and for the use of its successors, assigns or other legal representatives to the full end of the term or terms for which the Intellectual Property may be granted, as fully and entirely as the same would have been enjoyed by the Assignor, had this Assignment not been made.

2. Assignor agrees that the Assets as defined herein includes all rights to sue, bring actions for and recover and hold damages, profits and other compensation for any and all past and future infringements and unauthorized uses of the Intellectual Property.

3. The Assignor also hereby covenants and agrees that the Assignor shall, at the request of Assignee or its counsel, execute, acknowledge and deliver all such further acts, deeds, assignments, transfers, powers of attorney and assurances as may be required to carry out the intent of this Assignment, and to transfer and vest title to and in the Assets and to procure, maintain, enforce and protect the right, title and interest in and enjoyment of all of the Assets assigned, transferred and conveyed to Assignee pursuant to this Assignment; provided,

however, this Assignment shall be effective regardless of whether any such additional documents are executed.

4. This Assignment shall be binding upon Assignor, Assignor's successors and assigns, and upon all others acting by, through, with or under Assignor's direction or control, and all those in privity therewith.

IN WITNESS WHEREOF, the Assignor has executed this Assignment and caused the same to be duly delivered on its behalf on the day and year first set forth above.

A S S I G N M E N T

WHEREAS, we, Andrew P. LULL, Zachary D. KRAPFL, William A. BAKER, Patrick A. WARNER, Michael H. HARDING, and Richard W. TREVINO, whose post office addresses are shown below, have made a certain new and useful invention relating to an Adjustable-Load Unitary Multi-Position Bench Exercise Unit, for which we have made application for Letters Patent of the United States, which application may be identified in the United States Patent Office as Application Serial No. 09/802,835 filed on March 8, 2001, for **ADJUSTABLE-LOAD UNITARY MULTI-POSITION BENCH EXERCISE UNIT**; and

WHEREAS, we now own the entire right, title and interest therein; and

WHEREAS, Schwinn Cycling & Fitness Inc., a Delaware corporation, whose post office address is 1690 38th Street, Boulder, Colorado 80301-2602, is desirous of acquiring the entire interest in and to said invention, said application or any continuation, continuation-in-part, divisional, renewal, or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, both domestic and foreign, or any reissue or reexamination thereof, to be obtained therefor:

NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration to us in hand paid, the receipt and sufficiency of which are hereby acknowledged, we have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto the said Schwinn Cycling & Fitness Inc., and said assignee's legal representatives, successors and assigns, the entire right, title and interest in and to said invention, said application or any continuation, continuation-in-part, divisional, renewal or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or reexamination thereof; and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, we hereby covenant and agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance

in making application for and obtaining original, continuation, continuation-in-part, divisional, renewal, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals on the date indicated below.
